

FEEDING RECOMMENDATION

Small Dogs (up to 10 kg) 6.5-10 g/day or 1-1.5 spoons/day

Medium Dogs (10 to 20 kg) 10-13 g/day or 1.5-2 spoons/day

Large Dogs (> 20 kg) 13-20 g/day or 2-3 spoons/day

Sprinkle BROCKMANN'S Kalkutran in the recommended quantity over the prepared food.

Divide equally per day into two meals (Morning & Evening). In lactating bitches, the daily quantity can be doubled.

* one measuring spoon corresponds to approx. 6 g

CONTENT OF NUTRITIONAL ADDITIVES (PER KG)			
Content	Value	Content	Value
